It's been a fantastic journey with you all, the basketball lovers and supporters who have wholeheartedly supported the efforts taken by TNBA. I request everyone of you to take part in the General Body Meeting and provide your valuable inputs in making the gathering a success.

It's been a dream for many of us and myself that the game of basketball should grow to the highest level and it should inspire others to take it as a new alternate sport in our country. Let's work together on the grass root level, predominantly in promoting the game in the school level and make this wonderful game a common sport for the new generation. I thank everyone from the bottom of my heart for their continuous support and contribution to the development of the basketball game.

Nothing is impossible!!!

Thanks & Regards
